

VETERANS

Use your GI Bill® to
earn scuba certifications
and licenses

WOULD YOU LIKE TO LEARN TO DIVE, BUILD NEW SKILLS,
OR BECOME A DIVE INDUSTRY PROFESSIONAL?

NOW YOU CAN, USING GI BILL® BENEFITS!

International Training is now offering 18 different VA-approved certifications and professional-level licenses. These programs cover a range of courses, including beginner scuba diving education, technical and public safety diving, freediving, instructor courses, and more. Keep reading to see the full list of programs and learn how you can take advantage of this great opportunity.

GETTING STARTED IS EASY

1

SIGN UP FOR A PROGRAM

Find an International Training Dive Center near you to register and pay for the program.

2

SUBMIT VA FORM 22-0803

Complete *VA Form 22-0803* and upload to the *VA website* or mail to your regional VA processing office for reimbursement.

You must have your proof of purchase / receipt.

3

EARN YOUR CERTS AND LICENSES

Whether your goal is to become a diver, grow your skills, or to start teaching diving to others, our programs will give you the knowledge you need to succeed.

How to take advantage of the International Training VA program.

- In order for shops to take advantage of this program they need to offer one of the packages listed.
- This is then sold as a bundle of classes to an eligible* Veteran.
- The veteran retains proof of purchase / receipt. You maintain program details and records.
- The veteran then completes VA Form 22-0803 and uploads it to the VA Website or mails it to their regional VA processing office for reimbursement. Be sure all required Items are included.
- The VA sends reimbursement directly to the eligible Veteran.

**Veterans should check their eligibility with the VA office prior to commitment to a course. Eligibility is based on Chapters 30,32,33,35 and 1606*
